POST A STAGE

POSTED STAGE

Sr.No.	Created At	Title	Language	Start Date	End Date	resources	People	Stages	Amount	Action
1	25, Sep 2019	asdx	English	12, Sep 2019	24, Sep 2019	add Resources	0	11	333	Edit
2	25, Sep 2019	asdx	English	12, Sep 2019	24, Sep 2019	add Resources	0	0	0	Edit
3	25, Sep 2019	asdx	English	12, Sep 2019	24, Sep 2019	add Resources	0	1	0	Edit
4	25, Sep 2019	building a home made camper from scratch	English	12, Dec 2019	12, Dec 2020	add Resources	2	1	50	Edit
5	25, Sep 2019	teste priyanka	English	27, Nov 2019	26, Sep 2019	add Resources	2	1	5	Edit
6	25, Sep 2019	test priyanka delete	Netherlands	26, Sep 2019	28, Sep 2019	add Resources	1	1	5	Edit

Please, check carefully the table below and adjust it accordingly.

Sr No	Date	Title	Language	Start Date	End Date	Resources	Project members	Stages	Amount	Action
5	Show newest on the top			Start Date with a button to edit	End date with a button to edit	Show the count of added resources	Show count of added people	Show the count of added stages	Show amount in Euro	Iconic Publish, Edit & Delete buttons
4				26-09-2019 <small>Edit</small>	26-10-2019 <small>Edit</small>	<u>5</u> Popup	<u>4</u> Popup	<u>8</u> Popup		
3										

Notes:

- When clicking on Publish, edit or delete, a pop-up screen must appear to confirm the action.
- When clicking on the title we will be redirected to the project main page
- When clicking on the edit next to start date or end date, a pop-up screen will appear as follows:

Edit project start date

 Current Start Date: 26-09-2019

 Insert new Start Date: 29-09-2019

[Submit](#)

- In resources column, we show the count of the resources posted. The number should be clickable, and when clicking on the number a pop screen will appear displaying the following:

Resources

Add a new item
Added items

Item Title	Obtained
Aluminum bar 3 meters	yes

Submit

When clicking update, the items will be added directly to the added items list and we will stay on the same section allowing users to add more items easily.

Resources

Add a new item
Added items

Sr no	Item Title	Obtained	Action
10	Electric cable 2 meters	Yes	Delete/ Edit
9	Electric cable 10 meters	No	When clicking on edit, the user will be able to edit the title and change the status on the same pop-up screen on the selected row.
	Do not use selection and do not show the records of the inserted items		When clicking on delete, the resource will be deleted directly

Submit

- When clicking on people, the following popup will be displayed:

Project members

Add People
Added people

Add new
Assign to a Stage

Select from followers	Select a stage or multiple stages
-----------------------	-----------------------------------

Users should be able to select multiple followers to add to the project.

Submit

Project members

Add People
Added people

User name	Stages	Action
Show descending	Stages	Edit / Delete

Users should be able to select multiple followers to add them to the project.

Submit

Working on posted stages

- Remove resource detail from the following section on stages and add a small button to delete the inserted questions.
