- In resources column, we show the count of the resources posted. The number should be clickable, and when clicking on the number a pop screen will appear displaying the following:

<table>
<tr><td colspan="2" align="center">Resources</td></tr>
<tr><td>Add a new item</td><td>Added items</td></tr>
<tr><td>Item Title</td><td>Obtained</td></tr>
<tr><td>Aluminum bar 3 meters</td><td align="center">yes</td></tr>
<tr><td colspan="2">Submit</td></tr>
<tr><td colspan="2">When clicking update, the items will be added directly to the added items list and we will stay on the same section allowing users to add more items easily.</td></tr>
</table>

Working on posted stages

- Remove resource detail from the following section on stages and add a small button to delete the inserted questions.

Please, adjust the "add tasks" and "view people" as described below.
